

According to reliable sources from Asmara that the ruling regime security authorities arrested journalist / Said Abdel-Hay SE about a week before and took him to an unknown destination.

Is happy that the staff of advanced information in the ranks of the Popular Front before and after liberation, and the founders of the Eritrean Ministry of Information. Occupied key positions in the press section to the extent that the ministry's deputy chief editor of the Journal of modern Eritrea, the first author of a column in the press after Eritrean independence, with suspended his column early in the beginning of the nineties. Served as President of the Arabic section in the Eritrean television in the mid-nineties. Then Served as Chairman of the Economic Department at the Voice of the Eritrean masses.

He was also an official Department of Press and Publications and the Eritrean News Agency The Ministry of Information, a post appointed by the president's office directly.

A founding member of the Secretariat of the Journal of the mouthpiece of the party regime. Versed in several languages by local and international Arabic - English - keratinocytes, and staff who rely on them to translate the data and press releases very important, and literature (Popular Front) political and cultural, as translated ably and professional craft book (AYNEFELALE) any (Will not separate) from the Tigrinya to Arab writer pain Sagd Tesfaye, who has long been suspended from work and Mgdba them from the head of the regime, perhaps because of the historical facts are cited in his book on the stage of political struggle in Alarabieenja.

System in an attempt to discourage him from openly express his views about the political situation in the country recently appointed Saeed Hai responsible for the Office of expatriates after the appointment of its former president called (Woody Bachai) system ambassador to Israel.

Is one of the staff was informed that the view is still the need for political reforms in the country.

Said graduated from the Faculty of Agriculture at the University of Benghazi, Libya. Married sons and daughters.
